Education

Rajkiya Engineering College Sonbhadra	**Batch: 2024**
Electronics Engineering	*CGPA: 8.4*

Experience

Anudip Organisation	**10/2023 - 02/2024**
Training on Advance Java Programming (Remote)	
WorIn Well	**11/2022 - 01/2023**
Web Development internship (Remote)	

Personal Projects

Portfolio *HTML, CSS, JavaScript and React*

- Designed and developed an interactive portfolio application that serves as a comprehensive showcase of my work, skills, and accomplishments.
- The application features a user-friendly interface that allows visitors to easily navigate through various sections, including project galleries, skill highlights, and professional experiences.

Property Rental Management System (Console based Application) *Core Java, Hibernate, MySQL*

- Engineered a console-based web services API using Hibernate, integrating essential functionalities such as user, tenant, and admin login.
- Meticulously connected with a MySQL database, enabling communication between the Java API and back-end systems.
- Key features include the implementation of CRUD operations for users, products, orders, carts, and addresses, with stringent user validation mechanisms at every stage to ensure data integrity and security

Job Portal

- Spearheaded the end-to-end development process My responsibilities encompassed designing the frontend interface using HTML, CSS, and JavaScript to ensure an intuitive user experience.
- Implemented crucial backend functionalities such as user authentication, job search, and job application submission.

Frontend Projects

- TextUtils   *React*
- Food Delivery   *HTML, CSS*

Technical Skills

- **Languages**: Java, JavaScript
- **Frameworks/Libraries**: React,Hibernate, Node, Express
- **Developer Tools**: VS Code, Eclipse, Replit, Postman, GitHub
- **Web Technologies**: HTML, CSS
- **Databases**: MySQL
- **Agile Methodology**

Soft Skills

Continuous Development, Strategic Leadership, Collaborative Aptitude, Adaptability, Problem-Solving, Critical Thinking

Position of Responsibility

Training and Placement Cell Representative
Rajkiya Engineering College Sonbhadra

Class Representative
Rajkiya Engineering College Sonbhadra

Achievements

- Certification of two month internship of Full Stack Web Development from WornIn Well.
- IEEE Technovation Hackathon Participation Certificate
- Eight weeks NPTEL course Certification in Enhancing Soft Skills and Personality
- Certification of event coordination in College
- Certification of three month Advance Java Programming Training from Anudip Foundation.
